- Important Notes Regarding Transport & Accommodation**
- Regarding the ground transfers, please keep in mind that the Umrah pilgrims after customs clearance at airport, are met by the representatives of a company called "TAS'HEEL" (Ministry of Hajj) who are supposed to take the passports for scanning. They will later handover the passports to yourselves or a representative from the Visa Issuer, for your onward journey to Makkah.
 - Please make sure that you receive your passports when you depart the Airport.
 - If you have taken transport from us, please note that it is pilgrims responsibility to contact the Transport Manager - Number given in the voucher after going through the Immigration and while in the Baggage Hall waiting to collect the luggage.
 - Please note - you will have roaming on your English phone and you can make a local calling without the 00966 prefix. The Transport Manager will know that you have arrived and will liaise with you to advise you of the name and telephone number of the driver allocated to pick you up.
 - Please make sure that you contact the related person only and do not bother others on the Itinerary who will have no way to help you. Only the concerned transport or Hotel contact number will do the job efficiently and without bother to others.
 - Also please be informed that the time and date of Ziyarats and pickup/dropoff time for intercity trips will be managed by the transfer operators as they have a better idea of traffic and road situations so please comply with their given schedule and in case they are not able to entertain your required time,

understand the situation and cooperate.

- Many of the flights have been diverted to Hajj terminal by the authorities, hence delays might be experienced to re-arrange the transport. In some circumstances Airport Taxi might have to be used to cut the delays. If you end up paying the taxi fare, rest assured this will be refunded to you in full.
- Traffic police in Makkah and Madinah are controlling irregular movement of vehicles near Haramain during Salah time and during peak hours, hence our guests may experience some delays in reaching their hotel or pick up from a Hotel due to road closures.
